OEG opened its first rebranded casino in Ukraine

Ukrainian subsidiary of Olympic Entertainment Group opened the country's 16th Olympic Casino in the centre of Kyiv investing over EUR 2 mln (more than EEK 31 mln). Additionally company is operating with 4 Eldorado casinos.

Olympic Casino Opera is the first re-branded casino from the last year bought Eldorado casinos in Kyiv.

The new casino has been named Olympic Casino Opera and it is the first Olympic Casino in Ukraine with both tables and slots.

Recently opened casino that is established on 2 floors and designed in the tropical style is located in the centre of Kyiv near Ukrainian National Opera. Casino has 432 square meters of floor space with 9 tables, 37 modern slot machines and spacious bar area.

Olympic Entertainment Group entered the Ukraine market in November 2004. After acquiring 5 Eldorado casinos in September 2007, the company has now more than 650 employees in Ukraine.
