OEG opened a new casino in Ukraine

Ukrainian subsidiary of Olympic Entertainment Group opened a new casino in Kyiv investing over EUR 1,2 mln (more than EEK 19 mln).

OEG has 21 casinos in Ukraine - 18 of them are branded as Olympic Casinos, two of them are named by Eldorado, a company acquired by OEG last year and one of them is under reconstruction.

Recently opened slot casino is the third Olympic Casino opened in Ukraine during this year. The casino is named Olympic Casino Dreisera and it is located in a brisk location of Ukraine's capital city, near the largest market of Kyiv. The casino is designed in the tropical style and has 235 square meters of floor space with 45 modern slot machines and spacious bar area.
