Olympic Casino opened re-branded casino in Ukraine

Ukrainian subsidiary of Olympic Entertainment Group opened the country's 21st Olympic Casino in the highly populated district of Kyiv investing over EUR 2 million. Additionally company is operating with 2 Eldorado casinos in Ukraine.

The new casino has been named Olympic Casino Obolon and it is the second Olympic Casino in Ukraine with both tables and slots. Olympic Casino Obolon is the third re-branded casino from five Eldorado casinos purchased last year.

Recently opened casino is established on two floors and designed in the tropical style with very picturesque and pleasant interior. Olympic Casino Obolon is located in the highly populated housing area of Kyiv near Minska metro station. Casino has 560 m² of floor space with 7 tables, 53 modern slot machines, 2 spacious bar areas and comfortable restaurant.

Olympic Entertainment Group entered the Ukrainian market in November 2004. After acquiring 5 casinos of Eldorado, one of the most known casino operators in Ukraine, in September 2007, the company has now more than 650 employees in the country.
