Olympic Casino opened casino in Ukraine

Ukrainian subsidiary of Olympic Entertainment Group opened new Olympic Casino in Kyiv investing over EUR 1 million.

Recently opened slot casino is the 5th Olympic Casino opened in Ukraine during this year. The casino is named Olympic Casino Kurenivka and it is located on the busy Kyiv street and near the biggest apartment building. The casino is designed in the antique style and has 176 square meters of floor space with 37 modern slot machines and spacious bar area.

OEG has totally 23 casinos in Ukraine - in addition to 20 gaming locations branded as Olympic Casino the company owns three more casinos in Ukraine, which were acquired from casino operator Eldorado last year and have not been rebranded as Olympic Casinos yet.

Olympic Entertainment Group entered the Ukraine market in November 2004, today the company gives an employment almost to 700 employees in the country.
