OEG opened a new casino in Poland

Polish subsidiary of Olympic Entertainment Group (OEG) opened a brand new casino in the town of Kielce investing approximately EEK 40 mln (more than EUR 2.5 mln). Poland is a market of limited casino licenses and the new gaming location is the first Olympic Casino in Poland for whose operations a new license has been issued. The new Olympic Casino is also the only casino in town.

The new casino has been named Olympic Casino Kielce and it is located in the very heart of Kielce - the town of 320 000 inhabitants. The casino that is designed in the style of Ancient Greece has 500 square meters of gaming space with ten tables and 30 slot machines, including two electronic roulette tables. In addition, the casino has a classy VIP-room and one poker table.

The new gaming location is the third Olympic Casino in Poland, in addition to those OEG has five more casinos in Poland branded as Casino Polonia. OEG entered the Polish gaming market in spring 2007.
