Report on review of interim condensed consolidated financial statements to the Shareholders of Globe Trade Centre S.A.

1. We have reviewed the attached interim condensed consolidated statement of financial position of the Capital Group Globe Trade Centre S.A. ('the Group') as at 31 March 2010 and the related interim condensed consolidated income statement, interim condensed consolidated statement of comprehensive income, interim condensed consolidated statement of changes in equity, interim condensed consolidated statement of cash flows for the three-month period then ended, and notes ('the attached interim condensed consolidated financial statements').

2. Management is responsible for the preparation and presentation of these interim condensed consolidated financial statements in accordance with International Financial Reporting Standard IAS 34 'Interim Financial Reporting' as adopted by the European Union ('IAS 34'). Our responsibility is to issue a report on these interim condensed consolidated financial statements based on our review.

3. We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. Based on our review, nothing has come to our attention that causes us to believe that the attached interim condensed consolidated financial statements are not prepared, in all material respects, in accordance with IAS 34.

5. We also reported on 14 May 2010 separately on the interim condensed consolidated financial statements of the Capital Group Globe Trade Centre S.A. for the same period prepared in accordance with IAS 34 using PLN as the presentation currency.
