On Agroton Public Limited

The Agroton Group is one of the largest and most diversified agricultural producers in eastern Ukraine. The company is vertically integrated, and its core business is cultivation, processing, storage and sale of grain, chiefly sunflower and wheat. The company also handles production and sale of livestock as well as food production.

Agroton is the largest producer of sunflower seeds and the fourth-largest wheat producer in Ukraine.

The company has storage facilities with a capacity of about 285,000 metric tonnes, which allows it to sell its products during periods with the most favourable prices. The current capacity of Agroton's grain elevators makes it the largest grain elevator operator in the Luhansk region.

The company achieves high production profitability thanks to high-quality soil and low production costs.

With respect to production and sale of livestock, Agroton is the largest poultry producer in the Luhansk region. The company also has 4,500 head of dairy cows, making it the fifth-largest milk producer in Ukraine.

Agroton has been listed on the Warsaw Stock Exchange since November 2010.
