

Mr. Jaroslaw Mastalerz

Since April 22, 2024, he has been the President of the Management Board of Powszechny Zakład Ubezpieczeń na Życie SA.

An experienced manager who has been holding key positions on the boards of the largest international financial institutions in Poland for over 25 years, both in the insurance and banking sector. During this time, he was responsible for numerous business functions in the areas of finance, operations, strategy, marketing, and IT and technology. On the insurance market, he held among others the positions of Chief Financial Officer and Member of the Management Board of Zurich Polska (1998-2003), then he was associated with the Generali Group in Poland (2003-2006), where as a Member of the Management Board he also held the position of Financial Director. In 2007, he was the founder and CEO of the first Polish digital insurer – BRE Ubezpieczenia. Then, for 10 years, he joined mBank Group (formerly BRE Bank), where, as Vice President, he was responsible, among others, for retail banking in Poland, Czechia, and Slovakia, and then also for operations and IT, as well as supervising the technology, security, and real estate divisions.

For the last 7 years, he has been associated with the venture capital market, where, as a managing partner, he supervised the activities of the Corporate VC mAccelerator fund.

He is a graduate of the Faculty of Foreign Trade at the University of Lodz.

Mr. Jan Zimowicz

Since April 12, 2024, he has been a Member of the Management Board of Powszechny Zakład Ubezpieczeń SA.

A manager with nearly fifteen years of experience as a member of the management board or in managerial positions at leading insurance companies and banks belonging to international capital groups, such as Aegon, Nationale-Nederlanden, and Credit Agricole.

He specializes in sales and marketing management, development of insurance products, executing merger and acquisition processes. He has rich experience in creating business strategies for large companies, digitization and implementation of extensive IT systems gained at Oracle and Accenture. In his professional work, he tries to combine comprehensive knowledge and skills from various sectors: finance, technology, and consulting.
